22nd International Conference on Real-Time Networks and Systems &

7th Junior Researcher Workshop on Real-Time Computing

<http://www-rtns2014.cea.fr>

RTNS
2014

Submission deadline: Jun. 27, 2014

Notification to authors: Aug. 5, 2014

Camera-ready paper due: Sep. 7, 2014

Early Registration: until Sep. 9, 2014

Versailles, France

October 8-10, 2014

The Passemant astronomical clock is an astronomical clock designed by Claude-Simeon Passemant in the eighteenth century. It is displayed in the Salon de la pendule in the petit appartement du roi on the first floor of Versailles, France. The clock set the official time in France for the first time in the kingdom's history (Wikipedia)
